

#BestInClass Slider24

No other sliding patio comes close...

Deceuninck's Slider24

Built for the great indoors

A unique sliding patio door that suites with our pretty windows in performance, style and colour.

Our market leading colour from stock means homeowners can choose from 26 colourways for their new windows and sliding patio door, including matching ancillaries, trims and accessories, and have it all delivered on the same short lead time as white.

If you're looking for the perfect frame for the perfect view our best in class Slider24 is for you.

It's everything you'd want and more in a sliding patio door.

Improving Access & Aesthetics

Heritage Colour Collection

Our Heritage colour collection has been specially designed to help you put together the perfect colour palette for your home.

Every home is different, and our beautiful range of colours takes its inspiration direct from nature to harmonise perfectly with your home and its surroundings, ensuring it stays looking good for years to come.

Our unique range of premium foil colours are available in a number of colourways.

Ask your installer for details.

Colour Palette

We have produced the colour swatches as accurately as printing will allow. Please ask to see our swatch book for precise reference.
